

**PERSONALIZE MAILINGS
WITH A PROFESSIONAL LOOK**

Address Printer HJ960

Combining superior features with unmatched durability and reliability, the HJ960 tabletop address printer is the perfect match for the medium to high volume mailer looking to increase productivity and cost savings. With addressing speeds of up to 26,000 No. 10. envelopes per hour, the HJ960's six fixed print heads provide the speed needed to bring your mailings to the next level. Patented HP printing technology produces crisp clean addresses and

barcodes that can reduce mailing errors and significantly reduce postage costs. And with its amazing application flexibility, the HJ960 can eliminate the need, and cost, of preprinted envelopes thanks to its message line and spot color printing capabilities. Additional options, such as mail management software, high-capacity conveyors and dryer units can turn the HJ960 into a total addressing solution.

Valuable features and benefits of the HJ960:

- Print up to 26,000 No. 10 envelopes per hour
- Accepts material as thick as 3/8"
- Up to 3" wide print area for customized messages
- Spot color printing for versatile messaging
- True 600 x 600 dpi print quality
- HP inkjet technology
- Maximizes USPS automation discounts
- Reduces duplicate and undeliverable mailings

Enhance your mailings for better results with the Hasler HJ960!
