84" ergonomic workstation creates a comfortable workspace for operators. Adjustable shelving is great for holding supplies. Dual locking doors provide additional storage and security

MIX IT UP

Eliminate the manual task of sorting mail by size, thickness, or weight. Simply Load 'n Go! Just place envelopes of various sizes and formats into the mixed-size, self-aligning feeder and press start. The IS-480 can process and automatically seal up to 155 letters per minute. It's that easy!

WEIGHING YOUR COSTS HAS NEVER BEEN FASTER

Dramatically reduce mail processing time and simplify operations with the Neopost Dynamic Scale.
